VTeam Principles Definitions

V Strategic Leadership

Be Customer Centric

We obsess over our customers. Our focus begins and ends with enabling better internal and external customer experiences.

Deliver Innovation

What got us here, won't get us there, so we don't settle. Instead, we roll-up our sleeves, embrace and champion change to spark innovation.

We Inclusive Leadership

Embrace Diversity

We create inclusive environments because diversity makes us stronger and better. We seek diverse perspectives, listen and create safe, open environments where every individual can be and feel welcomed, respected, supported, and valued to fully participate.

Activate Teamwork

We bring others along and we win as a team. To do this we act unselfishly, and communicate transparently and authentically. We work to remove obstacles to team success and prioritize recognizing and rewarding team performance.

Me Authentic Leadership

Model Integrity

We hold ourselves accountable and always act with integrity. We don't take shortcuts or adopt a "win at all costs" mentality. We advocate for, adopt and demonstrate the values in our Credo.

Champion Growth

We support and root for one another as we learn and develop. We actively give, receive, and implement constructive feedback. We work to continuously grow and stretch beyond our current capabilities.
